

Product Warranty

Products manufactured by Caddy Corporation are warranted to the original purchaser as follows:

Mechanical components are warranted to be free from defects in material and workmanship under normal use, storage and service for a period of one year from the date of installation or six months from factory shipment, or whichever occurs first.

Electrical components are warranted to the original purchaser to be free from defects in material and workmanship under normal use, storage and service for a period of ninety days from the date of shipment.

Caddy Corporation shall repair or replace, at its option, without charge any part or product, which our examination discloses to be thus defective during the warranty period.

Under no circumstances will Caddy Corporation honor any repair or back charges by any party regardless of whether such equipment is within the warranty period, unless the Service Department of Caddy Corporation has authorized such work in writing.

If the equipment is repaired or altered in any way whatsoever by any person without prior written consent by Caddy Corporation, this warranty shall not apply.

Normal wear parts, such as pilot bulbs, gaskets, etc., are not covered by this warranty.

This warranty shall not apply to the defects or damages resulting from accidents, alterations, abuse or misuse of equipment and/or any of its component parts, nor shall it apply to damage of electric components resulting from the connecting the equipment to any power supply other than specified on the nameplate or resulting from unauthorized altering any of the equipment, or from water conditions causing malfunction of electric components and/or control equipment nor traceable to component defects, nor use of materials containing components harmful to materials used in the manufacture of Caddy products. There is no other express warranty.

Any and all implied warranties are excluded to the extent permitted by law. Implied warranties, when included by law, including those merchantability and fitness for a particular purpose, are limited to one year from the date of shipment.

Liability for consequential damages under any and all warranties is excluded. This warranty is the buyer's exclusive remedy.

It is Caddy's policy to constantly improve the design and manufacture of our products. Accordingly, all equipment is subject to change consistent with such policy without prior notice and some items may be discontinued without obligation.
